

Essanté Organics Sweet & Shower™ Gel

- ◆ Gentle cleanser washes away pollutants as skin is soothed, moisturized
- ◆ Protects against free radical damage
- ◆ Chlorine / water contaminants are bound together/rinsed clean without drying skin
- ◆ Excellent for adults and children
- ◆ Natural scent with essential oils sets uplifting mood for your day

Description

Gentle botanical cleanser washes away pollutants while skin is soothed, moisturized and protected against free radical damage. Cationic charged ingredients immediately bind to moist skin providing resistance against the drying effects of chemical additives in water. Chlorine and other contaminants often present in water are bound together and rinsed clean without drying the skin, while unique ingredients aid in optimal moisture retention. Your skin will feel clean, fresh and healthy with this soothing, nutrient-rich cleansing gel. It gently cleanses all skin types leaving soft, moist, healthy-looking skin. Hydrates, revitalizes and rejuvenates as it reduces effects of everyday environmental stress by fortifying immune system.

Directions

Apply to wet skin. For additional lather, use a sponge or nylon ball. Add to running bath water for a relaxing, nurturing bath. Gentle enough for babies and people with sensitive skin.

Certified ToxicFree® Ingredients

Organic Herbal Extracts* Infused in Water & Enhanced NaPCA: [Epilobium Augustifolium (Canadian Willowherb Flowering Grass), Camellia Sinensis (Green Tea Leaf), Hibiscus Sabdariffa (Hibiscus Flower), Myrciaria Dubia (Camu Camu Amazon Fruit)]*, Decyl Glucoside (Raw Sugar Cleanser), Coco Glucoside, Sodium Cocoyl Glutamate, Coco-Betaine (Sugar Beet), Dextrose, Cocoyl Sarcosinate (Coconut), Guar Hydroxypropyltrimonium Chloride (Guar Bean), Vegetable Glycerin, Hydroxyethylcellulose (Plant Thickener), Tocopherol (Vitamin E), Retinyl Palmitate (Vitamin A), Glucose & Glucose Oxidase & Lactoperoxidase (Natural Preservatives), Citric Acid, Essential Oils:* [Vanilla planifolia (Vanilla) Bean Oil & Cocos nucifera (Coconut) Oil, Citrus sinensis (Brazilian Orange), Mentha piperita (Peppermint), Citrus bergamia (Bergamot)]*.

* Certified Organic or Wild Crafted

Key Ingredient Highlights

◆ *Shea (Butyrosperum parkii) Seed Butter*

A superior moisturizing agent, Shea Butter is also beneficial for the treatment of inflammation, soreness and itching. A vast quantity of Vitamin E content, increases micro-circulation and aids in maintaining optimal skin health. Also known to be a natural sunscreen protector for UVA and UVB damage. Shea Butter also contains allantoin, which contributes additional healing properties.

◆ ***Sodium Cocoabutteramphoacetate***

An extremely mild amphoteric surfactant made from natural cocoa butter. Cleans without defatting the skin to give a rich, conditioning effect to hair and skin care products. Leaves hair and skin feeling smooth and silky without irritation

◆ ***Sodium Cocoyl Isethionate***

A sodium salt of the coconut fatty acid ester of isethionic acid, this ingredient is a mild, high-foaming anionic surfactant. It features very low irritation, lubricity and is hard water tolerant with the following benefits:

- ◆ Mild to skin and eyes
- ◆ Rich and abundant lather
- ◆ Imparts silky skin after-feel
- ◆ Leaves no film behind on the skin
- ◆ Easily rinses free from the skin
- ◆ Excellent for use on inflamed skin such as wounds, acne and rosacea

◆ ***Vitamin A (Retinyl Palmitate)***

This Vitamin is known as an anti-aging vitamin and is effective in normalizing skin function while fighting free radicals.

◆ ***Vitamin B-5 (Panthenol)***

Vitamin B-5 effectively promotes healing inflamed, red, irritated skin, allowing the return to normal and preventing future problems.

◆ ***Rice Amino Acids***

These amino acids show excellent ability to penetrate hair and skin. It allows each molecule to carry its tremendous moisture binding ability into the hair and skin, increasing hydration and moisture content. The benefit is that increased moisture content in hair results in increased flexibility and tensile strength of the hair fiber – resulting in improved shine, manageability and body. In addition, its anti-irritant properties make this a basic building block for skin/scalp treatment products.

◆ ***Willowherb (Epilobium angustifolium) Extract***

Willowherb soothes through potent non-steroidal anti-inflammatory activity when applied topically and administered internally. Oenotherin-B is principal bioactive molecule found in Canadian Willowherb. It is anti-viral, anti-tumor and a free radical scavenger capable of reducing redness while calming already red, irritated, inflamed skin.
