- .. Soothes inflammation while stimulating growth of healthy tissue

This cleanser balances and supports all skin types - leaving skin feeling squeaky clean. Cleanses without stripping skin's precious oils.

Description

This is a creamy, pearlized cleanser that gently removes environmental pollutants, make-up and dirt. ***Vitamin C Cleanser*** leaves skin refreshed, balanced and feeling clean. It aids in accelerating the body's rejuvenation process and is vital to maintaining a good acid / alkaline balance. It assists with removal of toxins, soothing inflammation as growth of healthy tissue is stimulated. Natural electrolyte benefits are provided which includes restoring, regenerating, balancing cellular life. Good for all skin types, excellent for use when shaving. Also recommended for clearing scalp disorders.

Directions

Moisten skin with lukewarm water. Dispense a moderate amount of ***Vitamin C Cleanser*** into the palms of your hands and rub gently onto face and neck, being especially careful around the sensitive eye area. Lather and rinse well with warm water. Pat dry with clean towel and follow with ***Rejuvenate MOISTURIZER***.
