

Rejuvenate Moisturizer & Citrus Body Butter

Did you know there are ingredients in your beauty products that cause us to gain weight?

Essanté Worldwide is committed to healthy, natural, organic beauty products - That's why we're introducing the incredible new **Rejuvenate** moisturizer! Formulated from all natural, organic, clinically tested ingredients proven to deliver nutrients to your skin and help you achieve optimal skin health! Best of all, *it contains NONE of the ingredients that cause us to gain weight as a side effect!!*

Clinical participants had this to say about Rejuvenate:

"Oh, my gosh, I can't believe the changes in just a couple of weeks. My skin is softer and smoother than with any other product I've tried!"

"This is one product I do NOT want to be without - just let me know where I can buy it!"

"Do you know, my face feels firmer and more moist since I started using this moisturizer."

Can you believe it?

We told you about toxins that could cause weight gain - now we hear they can accelerate the aging process as well!

Sometimes it feels like we can't count on even the basic things in life to be safe!! That's EXACTLY why **Essanté Worldwide** is launching not one new product (**Essanté Organics Rejuvenate**) - but two new products - **Essanté Organics Citrus Body Butter**

Citrus Body Butter is FILLED with natural, organic ingredients that are 100% toxin and synthetic chemical-free!! So smooth, rich and hydrating -- it's great for even the most challenging dry spots like heels and elbows in the cold, dry winter air!! Lasts all day with one applications - not like other lotions or butters!

Citrus Body Butter contains **NO** hormone disruptors, **NO** phthalates, **NO** parabens, **NO** carcinogens, **NO** ingredients known to create fuzzy thinking, **NO** known harmful ingredients, and **NO** ingredients that can cause weight gain!!
